Spring 2018
International Deadline: Sept. 1
Priority Deadline: Oct. 15
Regular Deadline: Nov. 1
Final Deadline: Dec. 15

Fall 2018
International Deadline: March 1
Priority Deadline: March 1
Regular Deadline: April 15
Final Deadline: July 31

Estimated Tuition & Fees
Full-Time Resident: $28,700
Part-Time Resident: $33,000

For students not meeting residency classification, including international students, financial awards are available to cover a portion of the difference between resident and non-resident tuition.

Scholarship Overview
In 2017, 69% of MAcc students were awarded some type of scholarship. Scholarships are awarded separately from admissions decisions in fall and spring semesters. We offer merit-based, need-based and specific skills/background scholarships. Priority is given to full-time applicants who apply by the priority deadline. Scholarships do not require a separate application, and amounts and availability are subject to change.

All out-of-state applicants are automatically considered for non-resident tuition waivers. Applicants with a Utah address who may not qualify for residency are encouraged to email MAcc@Eccles.Utah.edu to request consideration.

Learn more about available scholarships, including information for non-resident students, at Eccles.link/MAcc-Scholarships.

Events
Attend an event to learn more about the MAcc program. See upcoming dates and register at Eccles.link/MAccEvents.

The Master of Accounting (MAcc) program prepares students for a dynamic career in accounting. Learn valuable business and leadership skills that will prepare you to pass the CPA exam and launch an exciting career in public accounting, corporate accounting, nonprofit, government and other industry sectors. With a MAcc, you are qualified to sit the CPA exam in Utah and most other states, giving you a number of career opportunities.

- Ranked in the top-10 best accounting programs in the West
- Accredited by the AACSB, along with only 1% of accounting programs worldwide
The MAcc program places a strong emphasis on analytical thinking, communication skills and professionalism. Our nationally-ranked faculty, including two former academic fellows at the SEC, combine pioneering research and dynamic instruction to engage students in helping to shape the future of accounting.

- We’re ranked the #8 best accounting program in the West by Public Accounting Report.
- Our CPA pass rate is 18% higher than the national average.
- The Big Four, Grant Thornton, BDO, a host of regional and local firms as well as industry and government actively recruit our students.
- You’ll have support from dedicated academic advisors and career coaches during the program and throughout your career search.

MAcc Intensive Program

Prospective students who do not have an accounting background can join the MAcc Intensive program, which allows students to complete all MAcc prerequisites in a single summer ahead of entering the full-time or part-time MAcc program.

Learn more at Eccles.link/MAccIntensive.

MAcc Areas of Specialization

- Accounting Information Systems
- Financial /Audit
- Tax

Career Development

MAcc graduates accept exciting career positions in public accounting, industry, nonprofit and government. The demand for master’s graduates has increased by 11% since 2014. Over the course of a 40-year career, a CPA can earn as much as $1 million more than a non-certified accountant.

Class Schedule

Students can pursue the MAcc program in either a full-time or part-time format. Full-time students complete the program in two semesters (8 months), and part-time students complete the program in four semesters (24 months). Core courses for the full-time program are offered at least once a year. Core courses for the part-time program are offered every other year during fall or spring semester on Tuesday and Thursday evenings. Elective offerings vary from year to year.
