**ADMINISTRATIVE REQUIREMENTS:**

The MPH/MHA dual-degree program is a joint effort between the Department of Family and Preventive Medicine Division of Public Health and the David Eccles School of Business.

Students can complete the program in approximately three years. Students will complete the requirements for both degrees. Students can choose to enroll full-time or part-time, but must take at least 3 credits per semester and complete the degree within 6 years.

**MPH Comprehensive Exam:** After completing PBHLT 6100, 6300, 6400, 6500, 6600, 6700, and 6550, students must pass the Certified in Public Health (CPH) exam. Exam is offered year-round but students must be registered for a minimum of three credit hours during the semester the exam is taken. Date passed: \_\_\_\_\_

**Graduation Requirements and Application:**

- Total Credit Hour: **66.5 - 71**

Updated June 2017, subject to change

- Neither degree is awarded until all degree requirements for each degree are completed. Submit this MPH/MHA Degree Requirement Checklist to your MPH Advisor the semester **prior** to graduation.
- Meet with both your MHA and MPH advisors prior to applying for graduation to check progress towards the joint degree requirements.
- Be sure to file an Application for Graduation for both programs with the Registrar's Office online at <http://registrar.utah.edu/handbook/graduategraduation.php>.
